

This architectural floor plan illustrates the layout of a house across two levels. The main structure consists of a central entrance hall, a living room, a dining room, a kitchen, and a bathroom. An additional room, labeled 'SALA DE ESTAR', is located on the left side. A staircase leads down from the main level to a lower level, which includes a garage and a laundry room. The plan also features several exterior areas, including a front porch, a back porch, and a rear yard.
